DOCKET 1237**

1. The undersigned, Nelu Mihai, Creditor in the case 22-90273, pursuant to Rule 34(b)(2)(C) I mention that the motion docket 1245 represents and should also be interpreted not only as an initial disclosure under rule 26(a)(1)(A)(1), but as an Objection to the Debtors and Plan Administrator (thru ASK LLP, Ms. Kara E. Casteel) requests (certificate of service docket 1237 of August 18, 2023) also for my personal bank account statements (ESI) for the period March 2022 – September 2022.

2. I respectfully object to such requests because all the electronically stored information (ESI) related to any electronic fund transfer for wages before and after the Separation Date (March 31, 2022) and/or “cash severance” amounts (according to the Separation Agreement signed

on March 28, 2022) from the Debtors are in the solely possession, custody, or control of the issuers, the Debtors (including Insperity PEO Services L.P.), and also especially in the possession, custody, control of the propounding party, the Plan Administrator, Tribolet Advisors, LLC, ASK LLP and other Reviewing Parties.

3. I respectfully object to part of such requests (the request to provide copies of my personal banks accounts statements) based on the fact that such information is **irrelevant to the case**.

Any bank account statement contains, for electronic fund transfers, only the amount of transferred money, the date of the transfer, a description the sender's name, eventually a reference number and the account balance (which is confidential information). The Court ordered to produce only disclosures related to the "cash severance" payments, that were done thru direct deposits. Insperity PEO Services, LP has all the transactions' confirmation numbers, dates etc. for all the March 2022 wages and last check transfers (that was also an electronic fund transfer, not a paper check), as well for all 12 "cash severance" **delayed and incomplete transfers** between April 15, 2022 and September 16, 2022 (the last payment date, before the Petition Date, September 22, 2022). All this information is in the possession, custody and control of the Plan Administrator.

4. I respectfully object to part of such requests (the request to provide copies of my personal banks accounts) based on the fact that such information is **overly invasive and confidential**.

I have complex bank accounts, including joint accounts - in common with other persons, accounts linked with investments accounts, accounts containing fiscal and medical confidential information, related not only to me.

5. I am not seeking to obtain an order for sealing my bank accounts statements, I only underline the evidence that such electronically stored information is irrelevant to the case and overly invasive, and that the Plan Administrator has in his possession all the necessary information.

6. Even more, Ms. Kara E. Casteel who signed the disclosure request, used an old template, mentioning very old forms of producing electronically stored information, that are not used anymore (CD-ROMs, ftp – file transfer protocol - platforms, .tiff formats etc.). With all due respect, such forms are older than 10-15 years or so, and cannot be used today. "Ftp" was used in mid 1990s for exchanging data, and nobody uses it anymore.

6. Contrary to the aggressive and confrontational approach of the Debtors lawyers, I have chosen an approach of collaboration and decide to them a copy of payroll stubs for the period

March 2022 – September 16, 2022, obtained by my experts from the institution that keeps the requested ESI, to which the Plan Administrator has continuous access via, Insperity PEO Services, L.P. I will also produce a bank statement issued by my bank with all the cash severance” transfers made by Compute North thru Insperity PEO Services, L.P., for the period March – September 2022. These stubs are disclosures that are already in the Plan Administrator’s possession, and that contain all the information, even more detailed, than the requested ESI (personal bank accounts statements) (because Insperity PEO Services, L.P. has more and detailed info (with dates, transactions codes etc.) about each transfer to the account chosen by me for direct deposits) as per Rule 34(b)(2)(E)(iii)<sup>2</sup>

7. In addition, I respectfully remind the Court that I am after medical surgery, and, as both former employee (CTO) and Creditor, pursuant to *Rule 26(a)(1)(A)(1)* and *Rule 34(b)* *Federal Rules of Civil Procedure* (“*F.R.Civ.P.*”) and *Rule 7034 of Federal Rules of Bankruptcy Procedure*, as well as per California employment legislation (*California Labor Code 226(b) and (c) etc.*)), I am entitled to receive the information related to my employment from the Debtors and the Plan Administrator, Tribolet Advisors, LLC, the only ones having possession, control, or custody and access to such information, unfairly requested from me.

Respectfully,

Nelu Mihai
